

Good Shepherd Summer Club May Mini Mission Project

It's time to begin our first Good Shepherd Summer Club Mini Mission Project!

Right behind our church is the Bethel Neighborhood. Most of the children who live in this community go to school with many of our First Pres children. This year has been a tough year for these children and their families too. Let's surprise the children of the Bethel Neighborhood with a **Summer Surprise Bag** and start their summer off with some extra fun and big smiles! A variety of summer goodies have already been ordered to fill these Summer Surprise Bags (June Mini Mission Project), but we still need **Chick-fil-A Gift Cards**.

This is where I need our Good Shepherd Summer Club's help!

Good Shepherd Summer Club Members, I wonder if your family could donate a couple of \$10 Chick-fil-A Gift Cards to help surprise our Bethel Neighbors?

There is a Chick-fil-A in Downtown Athens and it's just a short walk from the Bethel Community. \$10 will provide a filling Chick-fil-A Meal or a few yummy summer treats. Please bring Chick-fil-A gift cards to church and place them in our Chick-fil-A Donation Box at the front desk or make a donation to the church to purchase the Chick-fil-A Gift Cards. Be sure to indicate that your donation is for the Chick-fil-A Gift Cards. Bring or make Chick-fil-A donations by **Friday, June 4th**.

**Thank you for being a good neighbor and sharing God's light and love
with our neighbors in this YUMMY WAY!**
