Sunday Morning Nursery Routine and Reminders

Bringing your little one to the Nursery

1. When bringing your little one to the Nursery, use the Weekday School hallway, atrium stairwell (from upstairs), or walk through the courtyard into the Nursery Playroom area.
2. Parents with toddlers and preschoolers, please have your children wash their hands in the nursery bathroom before joining their church friends in the nursery playroom area.
3. Before leaving for Sunday School or worship in the sanctuary, be sure to check in with our Nursery Coordinator, Rita Raines and sign your child in to the nursery, providing Nursery Staff with your name, cell phone number, and where you will be located in the church building.

*Please be sure to pack extra diapers, wipes, clothes, bottles, and pacifiers in your baby bag and let Ms. Rita know of any important specifics that she may need to be aware of. For example, if your little one will need a bottle while you are in worship, etc.

During Nursery Time

*When your child (toddlers and preschoolers) comes to the nursery during our 8:45am or 11am Worship Service, they will enjoy inside and outside playtime with their church friends.

*When your child (toddlers and preschoolers) comes to the nursery during the Sunday School hour (9:45am-10:45am), they will enjoy their very own feast time with their church friends, Bible Story time, and inside and outside playtime.

*During feast time, your child will be provided with a light snack of gold fish, gram crackers, or gluten free chex cereal and water. Please be sure to let our Nursery Staff know if your child has food allergies.

*Our sweet babies will remain inside during nursery time.
